

**Are you concerned that making the transition from school to the labour market will cause problems for you? Are you the holder of a decision concerning the placement of children with special needs?
Are you younger than 29 years of age?**

If you answered 'yes' to any of the above questions, we have a solution for you – the YOUTH TRANSITION project!

THE DEVELOPMENT AND IMPLEMENTATION OF THE TRANSITION OF YOUNG PEOPLE WITH SPECIAL NEEDS TO THE LABOUR MARKET

You are cordially invited to join the YOUTH TRANSITION project and receive support from an experienced professional from one of our partners who will facilitate your transition from school to the labour market.

The project is implemented throughout Slovenia and will serve 2100 young people with special needs.
